MESBAHI MERYEME

Front-end developer

📞 +212602005567 @ mesbahimeryeme@gmail.com 🔗 linkedin.com/in/meryememes 🔗 https://github.com/mme-sbahi
📍 Casablanca

EXPERIENCE

Front-end developer

Ping-pong game

📅 11/2024 - 01/2025 📍 Khouribga, Morocco

- Conceptualized and implemented the front-end of a social and gaming platform
- Built responsive interfaces with Next.js, React, Tailwind CSS, and Shadcn
- Improved the user experience by optimizing layouts for mobile and desktop platforms

SYSTEM DEVELOPER

FT_IRC

📅 08/2024 📍 Khouribga, Morocco

- Developed an IRC server in C++ to support real-time communication for 100+ simultaneous users.
- Implemented features such as channels, private messaging, and compatibility with IRC clients like LimeChat.
- Strengthened expertise in networking protocols, socket programming, and concurrency management.

Systems architect

Inception

📅 03/2024 📍 Khouribga, Morocco

- Built a Docker-based multi-container architecture to simulate real-world development environments
- Included containers for web servers, databases, and other services, enhancing understanding of DevOps practices
- Strengthened knowledge of Docker networking and systems architecture

EDUCATION

1337 School - 42 network

42 network school

📅 01/2023 - 01/2025 📍 Khouribga, Morocco

- Peer-to-peer, project-based curriculum emphasizing
- Algorithms, system programming, and full-stack web
- Development
- Developed projects like an IRC server, multiplayer
- Applications, and Dockerized infrastructures
- Gained hands-on experience in C++ programming, systems
- Design, and web technologies.

Baccalaureat in Physical sciences

School or University

📅 01/2021 - 12/2021 📍 Casablanca, Morocco

- Baccalauréat in physical sciences ()
- Focused on analytical thinking, problem-solving, and
- Foundational principles in physics and biology

SUMMARY

As a front-end developer, I'm dedicated to building seamless web experiences that blend aesthetic appeal with exceptional usability. Leveraging modern tools like React, Next.js, and Tailwind CSS, I transform designs into interactive, responsive, and inclusive digital solutions that perform beautifully across all devices. Collaboration is at the heart of my work, I thrive in team environments where ideas are shared, challenges are embraced, and innovative solutions are crafted. Whether it's optimizing performance, refining layouts for pixel-perfect responsiveness, or exploring the latest technologies to stay ahead of the curve, I bring curiosity, adaptability, and a commitment to excellence to every project. I'm passionate about creating meaningful digital products that not only meet user needs but also drive impactful business outcomes.
